Subject: Notifying Nina about OR CZARA Schedule

Wanted you all to know that I did call Nina yesterday. I did not reach her but I did leave her a voicemail saying that we would be seeking a schedule extension under the settlement agreement. I said that because we had received so many comments, we needed to carefully evaluate how much time we will need to consider and respond to the comments before we make our decision. I told her we would let her know more formally the length of extension we are seeking by mid-May. I also said that we would formally request the extension through our attorneys.

Let me know if you have questions.
